This holiday homework has been thoughtfully prepared to ensure that students enjoy their break while keeping their minds active and skills sharp.

The Summer Break for classes **Nursery to 10th** is scheduled from **2nd June, 2026** to **30th June, 2026**. The last working day for these classes will be **1st June, 2026 (Monday)**. The school will reopen on **1st July, 2026 (Wednesday)**.

Note: The school office will remain open on all working days between **9:30 am to 2:00 pm** during the summer vacation.

Tips for a Healthy and Productive Summer:

Guidelines for Students:

- 3. Originality:** Avoid copying from others. Use your creativity and understanding.
- 4. Timely Submission:** All homework must be submitted on the first day after vacation.
- 5. Activity Work:** Projects should be done using recyclable or easily available materials. Label your charts/projects clearly with your name and roll number.

Guidelines for Parents:

2. Ensure a healthy routine including reading, physical exercise, and adequate sleep.
3. Encourage conversation in English and moral storytelling to enhance language and values.

We request all parents to encourage their wards to complete the assigned work regularly and creatively. The tasks are a blend of revision and project-based learning to foster critical thinking and subject understanding.

Let us work together to make this holiday both enjoyable and enriching.

Wishing you a safe, healthy, and joyful summer break!
